“**Security and privacy are paramount.** We felt that ScytI’s online voting security features met the needs of our municipality. **ScytI’s international experience in binding elections in complex jurisdictions** also factored heavily into our decision to partner with them.”

Kimberly Kitteringham | City Clerk | Markham, Ontario, Canada

“ScytI provided the technology that allowed **the online voting system to work flawlessly** and enabled us to **enfranchise our accredited voters.**”

Jim McCormick | President | Progressive Conservative Party of Alberta, Canada

“ScytI [Online Voting] was successfully utilized at the Board of Directors and Credit Committee Elections...**ScytI consistently exceeded our expectations by providing us with the highest level of service** throughout the project. **I strongly recommend ScytI for any such future projects.**”

Patricia Mercado | Marketing Officer | OAS Staff Federal Credit Union
